

Guide to Running an Effective Spiritual Care Volunteer Program

Members only resource - launching at Parliament House, Canberra October 2018

Why use it?

- Spiritual care volunteers have great potential to increase the amount of compassionate, sensitive listening available to clients and residents
- Busy leaders and managers need support
- This guide helps you create the conditions for success – an integrated and sustained spiritual care volunteer program
- Packed full of templates to save you time
- Based on real-life experience of establishing a successful spiritual care volunteer program

About the Guide

- Step by step information covering:
 - planning
 - recruitment
 - integration
 - supervision
 - evaluation
- Packed full of useful templates (also available as downloads)
- Links with the Meaningful Ageing/HTN/Altura (ACC) *Spiritual Care Series: a volunteer training course*

“This manual lays it out so clearly that even the newest person embarking on the journey to creating a robust and high functioning Spiritual Care volunteer team, has every advantage to do so successfully...”

-Volunteer Program Manager
